

Amazing Animals

Home Learning Pack for Nursery – Week Beginning 29th June 2020

This week in we will be looking at **Sacred and Mythical Animals**. We will be reading about fictional animals such as dragons and unicorns and learning about animals that have been held in special regard by people through the ages such as cows, elephants and tigers.

Here are a few ideas for this week's key focus.

- **Elephant Decorating** - Decorate a template of an elephant how the people of India do to celebrate its serenity, strength, wisdom and loyalty.
- **Mythical Creature Mosaic** – Cut up pictures of different animals and make a mythical creature mosaic/collage of an animal that has all your child's favourite features from different animals.
- **Reading** – Research why humble animals such as cows or strong animals such as elephants and tigers were so special to people and how they celebrated them.

I hope you have fun learning about sacred and mythical animals with your child and don't forget to send a photo or message about what they have created, learnt or seen.

Stay safe and hope to see you soon.

Regards,

Mrs Birt
