

31 December 2020

Dear Parents/Carers

Firstly, I hope that you and your families have had a safe and happy Christmas and are continuing to enjoy the holiday period.

I just wanted to confirm that further to the government's announcement yesterday Theddlethorpe Academy will be open, as originally planned, on Monday 4 January 2020 for all pupils.

Can I please ask you, more now than ever before, to ensure that you are all following social distancing measures at the start and end of the day, and that you are respectful of all other families, children and staff members. Further to my most recent letter before Christmas, with the extremely challenging circumstance we all face, it is absolutely crucial that everyone protects themselves and each other.

I must also insist that everyone abides by the strict guidance and rules regarding self-isolation. If a child or adult should be self-isolating they must do so to protect everyone else in our school community. It is also absolutely vital that no pupil is sent into the Academy if they are displaying any of the key Covid-19 symptoms. If these rules are not abided by, children, family members and staff will immediately be put at risk, which can so easily be avoided.

I thought it was important to make you aware that we are open as normal, following the latest update, as there has been so much speculation over the last two weeks.

I can assure you that we will continue to do everything within our power to ensure the Academy is as safe as possible, in order to continue to provide the children with the education they deserve.

I would like to take this opportunity to wish you and your families, a safe and hopefully, much happier new year.

Yours faithfully,

Mrs S Cook
Principal
