

Useful Websites and Apps

Hello,

We have come up with a list of useful websites and apps to help the children with their learning at home. These are for a variety of different subjects.

Please note, apart from TT Rockstars, we do not subscribe to any of these as an academy.

They are just general sites that we think might be useful. Please check them all before signing up to any of them – sometimes, when they say they are free, there might be a hidden catch e.g. free for a month and then you have to pay. Also, sometimes websites will have adverts linked to various other products, so it's always best to be wary of this and have a good look through.

All the best to you all,

Theddlethorpe Academy

Topmarks

Topmarks

FREE

<https://www.topmarks.co.uk/>

This is our favourite website has different games for different subjects. Our favourite game is 'Hit the button.'

TTR

FREE (use your school login)

<https://play.ttrockstars.com/auth/school/student>

We love to practice our times tables on TTR. What Rock Status can you get while working at home. Will you be a Rock Hero or a Breakthrough Artist?

Remember the school postcode is : DN40 2HP

ICT GAMES

FREE

www.ictgames.com

We love that there is such a variety of games for English and Maths on ICT Games. They run on all devices too.

BBC

Supermovers

FREE

<https://www.bbc.co.uk/teach/supermovers>

Get some daily exercise and learn at the same time – we love the times table dances.

prodigy

Prodigy Maths

FREE

<https://play.prodigygame.com/>

If you like Pokemon then this Maths game is for you. Create your character and help them become a witch or wizard.

 multiplication.com

Multiplication Games

FREE

<https://www.multiplication.com/games/all-games>

Play games and practice your maths skills at the same time.

Math blaster

FREE

<http://www.mathblaster.com/parents/math-games/multiplication-games>

Play games and practice your maths skills at the same time

Vooks

FREE (first month)

<https://www.vooks.com/>

When someone said free ebooks – we were like WOW where. This website is fabulous. Choose a book to share.

Oxford Owl

FREE

<https://home.oxfordowl.co.uk/>

When someone said free ebooks – we were like WOW where. This website is fabulous. Choose a book to share. Other activities on the website too.

Phonics Play

FREE

<https://new.phonicsplay.co.uk/>

Free at the moment – Phonics play has lots of games based on the phases of phonics but are useful for all.

Topic help

FREE

<http://www.primaryhomeworkhelp.co.uk/>

A fantastic source of information – this will help you with the projects we have given you and also to extend your knowledge to help you in the future.

Cosmic Yoga

FREE

<https://www.cosmickids.com/category/watch/>

We love Cosmic Yoga it helps us chill out after a long day.

Newsround

FREE

<https://www.bbc.co.uk/newsround>

We love catching up with the news on Newsround.

Gonoodle

FREE

<https://www.gonoodle.com/>

Gonoodle has some fun activities on. It is similar to super movers and we love it.

Duolingo

FREE

<https://www.duolingo.com/register>

Duolingo is a fantastic way to help teach yourself a new language.

Bitesize

FREE

<https://www.bbc.co.uk/bitesize>

A fantastic source of information – this will help you with the projects we have given you and also to extend your knowledge to help you in the future.

TTS

FREE DOWNLOAD

<https://www.tts-group.co.uk/home+learning+activities.html>

With a combination of independent and collaborative learning activities, the home learning books provide a great opportunity for parents to learn with their children.
