

Week Beginning 6th July 2020
Hydra Class – Theme

Online Learning:

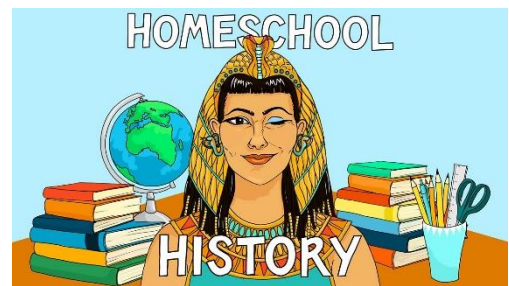

[Dorset Live Webcams](#) – Have a look each day to watch a pair of nesting Barn Owls as they look after their 2 surviving chicks.

[Joe Wicks live on Youtube](#). 9:00am – 9:30am **Monday Wednesday and Saturday**. Try it at least once this week!

[BBC Bitesize](#) – daily fun lessons to watch and take part in for a variety of subjects.

[Homeschool History](#) – (Also search it on 'Podcasts') A **brilliant** show by one of the people who makes Horrible Histories. I've really enjoyed listening to these myself and testing my new knowledge in the short quiz at the end. Updated weekly.

[The Ickabog](#) – J.K. Rowling (Author of the Harry Potter books) is releasing her new story online (2 or 3 chapters at a time) for you to read. There is also an illustration competition, and some of the illustrations will be used in the books when they are published!

Keep posting work to the FROG thank you to those who have done it already.

Tudors

The activities for Theme this week are from PlanBee – which is a paid resource, therefore cannot be shared on our website.

Please download the theme from the FROG for these activities, or alternatively email enquires@theddlethorpeacademy.co.uk and we can send you the activities via email.

Thank you
Miss Stanhope
